

## SPA 5500

Public Address System 500W Mixer Amplifier

*Siera manufactures reliable and affordable solutions in Electronic Security, CCTV, Access Control, Intercommunications, Professional Audio and Automation.*

### Featured specifications

- Commercial & industrial range BGM & paging amplifier.
- 3 microphone inputs and 2 line inputs.
- Mic1 on front panel by phone jack, mic2-3 on rear panel by phone jack.
- Line 1-2 inputs on rear panel by RCA.
- Volume control on front panel with bass and treble tone control.
- Overload, short circuit and high temp protection.
- With cooling fan.
